The 384-room full-service property features over 14,000 square feet of versatile meeting space including twenty-one meeting rooms and functional space ideal for business gatherings, social events or weddings. It is the only hotel located on the Kansas City International Airport’s ground, is 20 minutes from downtown and has easy access to shopping and dining.

The multi-million-dollar renovation included upgrading all guest rooms and suites with luxurious bedding, hard surface flooring, updated bathrooms with a barn door, modified storage with an open style closet, 55" flat-panel TVs and a specially designed work desk for business travelers and families alike. The new M Club, located on the lobby level, offers guests an exclusive space to retreat, recharge and refocus. With 24/7 access, the M Club is ideal for business and leisure travelers looking to rejuvenate.

“We are honored to have Marriott International recognize our Kansas City Airport Marriott’s transformational renovation,” said Douglas Dreher, President and CEO of The Hotel Group. “Our sustained success is a credit to our Best in Class team and their dedication to providing Inspired Hospitality Greatness™ to our guests both during and after the renovation.
